

Chapel of Saints Peter and Paul at our seminary in Denton, Nebraska

The Priestly Fraternity of St. Peter is a Society of Apostolic Life of Pontifical Right, canonically established in 1988. Our mission serves the Church through the formation and sanctification of priests according to the Roman Rite of 1962. We operate according to the provisions of the Motu Proprio Summorum Pontificum, promulgated by Pope Benedict XVI.

Fraternity priests are privileged to offer the Traditional Latin Mass and Sacraments with the approval and endorsement of the local bishop at parishes, chapels, and schools in dioceses throughout our district of the United States and Canada.

Donations to the Fraternity primarily support the formation of holy priests at our North American District seminary, pictured here.
