

USCCB MEETING

BALTIMORE 2018

WHEN OUR NATION'S BISHOPS gather in Baltimore this November, they will be confronting the gravest crisis that the Church in America has ever known. They will be at America's first cathedral during their meeting of four days in this, our nation's premier See.

The National Shrine of Saint Alphonsus Liguori is only two blocks away.

We understand it as our solemn duty, therefore, to pray for our Church and her bishops. Please join us in person or in spirit.
